Re: LB627, a bill to prohibit discrimination

Dear Chairman Lathrop and members of the Judiciary Committee:

The League of Women Voters of Lincoln and Lancaster County is writing to support LB627, a bill related to employment that prohibits discrimination based on sexual orientation and gender identity.

The League of Women Voters is a nonpartisan organization that encourages informed and active participation in government. The League does not support or oppose candidates. We work to increase understanding of public policy issues and to increase voter participation in elections.

The League of Women Voters believes that there should be equality of opportunity for education, employment, and housing for all persons in the United States regardless of their race, color, gender, religion, national origin, age sexual orientation or disability.

The League supports policies that advance and provide for the full and fair participation of all members in our communities. This bill supports those goals.

We urge you to advance this bill to general file.

Sincerely,

A handwritten signature in blue ink that reads 'Mary Boschult'.
